Introduction

This directory provides a list of Farm Bureau Advantage HMO's network providers.

Farm Bureau Advantage HMO members can see a specialist without having a referral from their Primary Care Provider.

The network providers listed in this directory have agreed to provide you with your medical services. You may go to any of our network providers listed in this directory. If you seek medical care from a provider that is not in network, those services may not be covered by the plan without the proper prior authorization before receiving services.

To find detailed information regarding your health care coverage, please refer to your Evidence of Coverage.

Urgent and Emergency Services

If you have a medical emergency, get help as quickly as possible. Call 911 or go to the nearest emergency room or hospital. Call for an ambulance if you need it.

You must use network providers except in an emergency or urgent care situation, or for out-of-area renal dialysis.. If you obtain routine care from out-of-network providers, neither Medicare nor Farm Bureau Advantage will be responsible for the costs.
