Introduction: This booklet provides a list of Farm Bureau Essential Rx's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Farm Bureau Health Plans' formulary.

When this pharmacy directory refers to "we," "us", or "our," it means Farm Bureau Health Plans. When it refers to "plan" or "our plan," it means Farm Bureau Essential Rx.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Farm Bureau Essential Rx only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 10-02-2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside Tennessee, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the sections in this directory on Network Pharmacies outside of Tennessee.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Farm Bureau Essential Rx.

Mail Order Pharmacy

OPTUMRX HOME DELIVERY

1-913-253-0600

Toll Free: 1-800-562-6223

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us at 1-866-643-6924 or for TTY users, 711.

Typically, you should expect to receive your prescription drugs 7 to 10 business days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-866-643-6924 or, for TTY users, 711.
