## General Information

Thank you for your interest in enrolling for Medicare Supplement Insurance policy with Farm Bureau Health Plans ("FBHP"). Please read the following guidelines carefully to assist you in completing the application.

1. To apply for this Medicare Supplement Insurance, you must:
  - a. Be enrolled as an active member in the Tennessee Farm Bureau;
  - b. Be age sixty-five (65) or over;
  - c. Be enrolled in both Medicare Parts A and B; and
  - d. Apply for coverage under the group policy and pay the required premium.
2. A Tennessee Farm Bureau membership is required for enrollment under the group policy. If you do not currently have a Tennessee Farm Bureau membership, please complete and submit a Tennessee Farm Bureau Membership Application and provide a separate check in the amount of your initial Tennessee Farm Bureau membership dues as indicated on the Tennessee Farm Bureau Membership application.
3. Please check your enrollment application for accuracy and be sure to sign your first and last name beside any corrections. Prompt return of any additional documents requested will prevent unnecessary delays in the underwriting process.
4. IF YOU HAVE CURRENT COVERAGE, DO NOT CANCEL YOUR CURRENT COVERAGE UNTIL YOU HAVE BEEN ISSUED A CERTIFICATE OF COVERAGE (the "Certificate") BY US AND UPON REVIEW, AGREE TO ACCEPT THE PREMIUM, TERMS AND CONDITIONS OF THE NEW CERTIFICATE.
5. If approved for coverage, you will be mailed a billing statement for the initial amount due. This billed amount must be paid by the due date. Once the billed amount has been paid, each monthly billing thereafter will be by automatic draft from your bank account.
6. FBHP Medicare Supplement Insurance policies are age-rated. Your premium will be based on your current age and will be adjusted annually with each birthday. In addition, overall general premium adjustments may be necessary. You will be notified by letter 30 days in advance of any premium adjustment.
7. Your Plan Identification Card ("ID card") and Certificate should arrive within a few days of your initial billing. Please review both the ID card and the Certificate carefully, as they contain important information about your coverage. If you find that you are not satisfied with your Certificate for any reason, you may return it to us. If you send the Certificate back to us within 30 days after you receive it, we will treat the Certificate as if it had never been issued and return all of your payments, less any claims paid.

**Please refer to Open Enrollment and Guaranteed Issue information on the next page.**

## Open Enrollment

You are eligible for open enrollment if you are applying within six (6) months of turning age sixty-five (65) or obtaining Medicare Part B, whichever occurs last. If you are in your open enrollment period, have not had a break in coverage of sixty-three (63) days or more, and at the time of application can provide proof of prior continuous creditable coverage of at least six (6) months, the pre-existing condition waiting period will be waived. If your prior continuous creditable coverage is less than six (6) months, the pre-existing condition waiting period will be reduced by the number of months prior continuous creditable coverage existed.

## Guaranteed Issue

You may qualify for the guaranteed issue of Plans A, D and G if you apply within sixty-three (63) days of losing other coverage and you:

- Are in a Medicare Advantage plan (also known as Medicare Part C) and the plan is leaving the Medicare program, discontinues plans in your area, or you move out of the Medicare Advantage plan's service area;
- Are in original Medicare (Medicare Part A and Part B) and have coverage through an employer group health plan (including retiree or COBRA) or union plan that pays after Medicare pays, and the employer group health plan or union plan terminates;
- Joined a Medicare Advantage plan when you first became eligible for Medicare Part A at age sixty-five (65) and within twelve (12) months of joining, you decide you want to switch to original Medicare;
- Dropped your Medicare Supplement Insurance to join a Medicare Advantage plan for the very first time, have been in the Medicare Advantage plan less than twelve (12) months, and want to switch back to original Medicare; or
- Are age sixty-five (65) or older with Medicare and are disenrolled from Medicaid.

Documentation verifying your circumstances will be required.

### **Please Note:**

There may be other circumstances that qualify you for the guaranteed issue provision. Please consult with our Home Office regarding your circumstances at 877-874-8323, 7 a.m. - 5 p.m., Central Time. If you are not eligible for guaranteed issue, a six (6) month pre-existing condition waiting period may apply if you are approved for coverage.

### Section 3 – Important Coverage Information

#### PLEASE READ CAREFULLY

1. You do not need more than one Medicare Supplement policy.
2. If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
3. If you are 65 or older, you may be eligible for benefits under Medicaid and may not need a Medicare Supplement policy.
4. If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare Supplement policy will be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing Medicaid eligibility. If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage but will otherwise be substantially equivalent to your coverage before the date of the suspension.
5. If you are eligible for, and have enrolled in, a Medicare Supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare Supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage but will otherwise be substantially equivalent to your coverage before the date of the suspension.
6. Counseling services may be available in your state to provide advice concerning your purchase of Medicare Supplement insurance and concerning Medicaid.

If you lost or are losing other health insurance coverage and received a notice from your prior insurer saying you were eligible for guaranteed issue of Medicare Supplement Insurance policy, or that you had certain rights to buy such a policy, you may be guaranteed acceptance in one or more of the Medicare Supplement plans offered under Tennessee Rural Health Improvement Association group policy. Please include a copy of the notice from your prior insurer with your application.
