Section 5 – General Information

Premiums

Quoted premiums are only an estimate. This application will be medically underwritten and Tennessee Rural Health Improvement Association (“Farm Bureau Health Plans” or “FBHP”) may need to adjust your premium based on the information submitted on the application and any medical information submitted during the underwriting process.

In addition to being medically underwritten, FBHP coverages are age-rated. Rate adjustments will occur as the oldest person on the contract ages. General rate adjustments may also be necessary. You will be notified by letter thirty (30) days in advance of any rate adjustment.

Pre-Existing

THE PLANS LISTED ON THIS APPLICATION CONTAIN A PRE-EXISTING CONDITION WAITING PERIOD FOR ANY CONDITIONS THAT WERE IN EXISTENCE PRIOR TO THE COVERAGE’S EFFECTIVE DATE FOR ANYONE ON THE CONTRACT.

A pre-existing condition is defined in the contract as: "An illness, injury, pregnancy or any other medical condition which existed at any time preceding the effective date of coverage under this contract for which: medical advice or treatment was recommended by, or received from, a provider of health care services; or symptoms existed which would cause an ordinarily prudent person to seek diagnosis, care or treatment."

The pre-existing condition waiting period applies regardless of any previous or current coverage (unless you are a dependent eligible to transfer from an existing FBHP health plan). Any and all claims that are filed during this pre-existing condition waiting period will be reviewed by FBHP to verify they are not related to a pre-existing condition.

Please reference the Pre-Existing Acknowledgement under Section 7.

Section 6 – Health Questionnaire

Underwriting

All health questions must be answered. If any of the answers are “Yes”, provide complete and accurate details in the space provided. The information provided on this application is used to determine eligibility for coverage for all individuals applying. Your full signature is required next to any changes you make to your responses to these questions. When answering the questions in this application, consider the health of all individuals applying for whom you are applying. Inaccurate or incomplete information provided on this application may constitute misrepresentation. Material misrepresentation could result in amended coverage or termination of coverage. Claims experience of any applicant currently or previously enrolled in a plan offered by FBHP or its subsidiaries, including TRH Health Insurance Company, may be considered during the underwriting process.

Medical Request(s)

If applying for any plan other than Enhanced Choice, the following medical records will be required to complete underwriting health assessment. For all plans, additional medical information may be needed and will be determined during the underwriting process:

For applicants ages 40 and older

- Height
- Weight
- Blood Pressure Reading
- Complete lipid panel to include: total cholesterol, HDL, LDL and triglycerides
- Glucose (sugar) results

All readings should be within the last 12 months.

For applicants ages 25 months and under

- All pediatric visits from birth to present to include the newborn metabolic screening results
- Immunization history or statement of intent to immunize

All persons age 40 and older and children age 25 months and under will automatically receive a request for medical information (details below). Applicants are encouraged to submit this information with the application to expedite the application process.

If medical information is not received by FBHP within thirty (30) days from the date of the request, your application for coverage will expire. To reapply for coverage, a new application will be required.

The applicant is responsible for requesting and obtaining medical information from providers and ensuring the medical information is received by FBHP. Any charges from providers associated with obtaining medical information must be paid by the applicant. The applicant is encouraged to keep a personal copy of all medical records submitted to FBHP. Once medical records are submitted to FBHP, the applicant must contact the FBHP Privacy Office to obtain a copy of medical records and may be charged a fee for the return of medical records.

Section 7 – Acknowledgements and Agreements

Newborn Waiver Acknowledgement: Please read carefully and initial in the space provided.

I understand and acknowledge

• In the event any applicant or spouse of an applicant is pregnant and/or an expectant parent at the time of application, the newly born child will not have automatic coverage. The newborn child must meet the definition of an eligible dependent and FBHP medical underwriting guidelines. If application to cover the newborn child is made within 31 days of the date of birth and coverage is offered, the child’s coverage will become effective on the date of birth. If adding a newly born child to an Enhanced Choice plan six months after the effective date of the original coverage, and application to cover the newborn child is made within 31 days of the date of birth, the child will not have to undergo medical underwriting. If the newborn child’s application is made more than 31 days from the date of birth, and coverage is offered, the child’s coverage will become effective on the next available effective date. The medical underwriting decision may result in a higher premium rate. If so, the coverage will be billed at the higher premium rate.

Initial here:

Pre-Existing Acknowledgement: Please read carefully and initial in the space provided.

I understand and acknowledge

The following plans contain a pre-existing condition waiting period for any conditions that were in existence prior to the coverage’s effective date for anyone on the contract as outlined below:

- **Major Medical** – 12-month pre-existing condition waiting period for anyone on the contract age 19 and above.
- **High Deductible (HSA-Qualified)** – 12-month pre-existing condition waiting period for anyone on the contract age 19 and above.
- **Core Choice and Enhanced Choice** – 6-month pre-existing condition waiting period for anyone on the contract age 19 and above. Additional waiting periods may apply including dental, vision, and other benefits as specified in the contract.
- **Child Coverage: Core Choice and Enhanced Choice** – 6-month pre-existing condition waiting period for anyone on the contract. Additional waiting periods may apply including dental, vision, and other benefits as specified in the contract.

HIPAA Acknowledgement: Please read carefully and initial in the space provided.

I understand and acknowledge

This is not an application designed to accommodate the portability provisions of the Health Insurance Portability and Accountability Act (HIPAA); therefore, portable/creditable coverage does not apply and no portion of my applicable pre-existing condition waiting period will be waived. In applying for this coverage, I understand and acknowledge that other health insurance issuers make available to individuals other health coverage plans which do not require medical underwriting and do not apply pre-existing condition limitations for individuals who have met certain prior creditable coverage requirements. I hereby acknowledge that although such portable coverage may be available to me/us, based on rates or other reasons, I have declined to apply for such coverage at this time.

Initial here:

PPACA Acknowledgement: Please read carefully and initial in the space provided.

I understand and acknowledge

- The health benefits coverage for which I am applying through Tennessee Rural Health Improvement Association (“Farm Bureau Health Plans” or “FBHP”) is not covered by the federal Patient Protection and Affordable Care Act (“PPACA”) and does not meet the current PPACA requirements for individual health insurance.
- Under PPACA, individuals are required to purchase minimum essential coverage. Since the FBHP coverage for which I am applying is not covered by PPACA, and does not meet the PPACA requirements for individual health insurance, it is not considered minimum essential coverage.

Initial here:

Eligibility Acknowledgement: Please read carefully and initial in the space provided.

I understand and acknowledge

I must immediately notify FBHP when there is any change in the information submitted on this application concerning the eligibility for coverage of any dependent, including my spouse. Farm Bureau Health Plans reserves the right to request proof of continuing dependent eligibility at any time. In the event dependent eligibility cannot be determined based on the answers submitted on the application, additional information may be requested

For Reapplications Only. Under 65 Acknowledgement: If reapplying for other Farm Bureau Health Plans Coverage, please read and initial below.

I understand and acknowledge

I am applying for new Farm Bureau Health Plans coverage which will require underwriting and could result in benefit exclusion riders for specified conditions. The new coverage will be subject to a waiting period for pre-existing conditions as well as a potential 9-month waiting period for maternity benefits on new family coverage (there are no maternity benefits on most individual coverage). If my application is approved and I accept the new coverage, my existing coverage with Farm Bureau Health Plans will be cancelled by my written request, and will be replaced by the new coverage. ***The new coverage may not provide benefits for illnesses that may have been covered under your existing coverage.*** The above information has been sufficiently explained to me and in consideration of the issuance of said new coverage, I agree as set forth above.

Section 7 – Acknowledgements and Agreements (continued)

IMPORTANT: The approval of this application is subject to medical underwriting guidelines. If you have current coverage, do not cancel your current coverage until you have been issued coverage by FBHP and upon review, agree to accept the rate, terms and conditions of the contract. If approved for coverage, you will be mailed a billing statement for the initial amount due. This billed amount will need to be paid by the due date. Once the billed amount has been paid, the automatic withdrawal from your bank account will begin on or after the 1st of the following month. Your FBHP Plan identification card(s) and contract should arrive within a few days of the billing. Please review both the identification card(s) and the contract carefully, as they contain important information. You will have 30 days from the date you receive your contract to decide if you want to continue the coverage. FBHP is entitled to rely solely on the statements made on this application which are complete and correct.

I understand and acknowledge that any coverage which may be issued:

- Will be effective, subject to all the terms and conditions of the contract, on the date indicated with the issuance of the identification card;
- Shall be binding only if each statement included on the application is complete and true; and
- May be transferable to another coverage classification within the FBHP program.
