FARM BUREAU ADVANTAGE

MEDICARE ADVANTAGE PLAN PROVIDER PORTAL

Here are some pointers on answering provider questions related to the portal for Farm Bureau Advantage Plan only:

FBHP Provider Portal – (<https://fbhp.healthtrioconnect.com/app/index.page?>)

1. Providers must be contracted, credentialed, and listed in PDM to be allowed access to the FNHP Provider Portal.
2. Providers need to supply their **Tax ID number** and **NPI number** as part of the registration process.
3. Once a provider has completed the initial registration, Provider Data Management (Karen St. Clair's team) will validate the provider appears in PDM.
4. The provider will then be notified that they have access to the FBHP Provider Portal.

Change Healthcare – (<https://www.changehealthcare.com/>)

1. For providers to have access to submit claims, check claim status, Electronic Funds Transfers (EFT) and remittance advices (RA's), they must register with Change Healthcare.
2. The Farm Bureau Health Plans' EID number for claims submission is – **RP061**.
3. To register to check claims status, RA's EFT's, the FBHP Payer ID is **62045**.
4. There is a similar validation process within Change Healthcare validating the provider.
5. For help with Change Healthcare please call 1-866-742-4355.
