### **2024 Pharmacy Directory**

This pharmacy directory was updated on 03-05-2024

For more recent information or other questions, please contact us, Farm Bureau Health Plans' Member Services at 1-833-999-0103 or, for TTY users, 711, our hours of operation are Oct 1 - Mar 31, 8 AM – 8 PM, 7 days/week local time, and Apr 1 - Sept 30, 8 AM – 8 PM, Monday - Friday local time or visit [www.fbhp.com/medicare-advantage](http://www.fbhp.com/medicare-advantage).

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at [www.fbhp.com/medicare-advantage](http://www.fbhp.com/medicare-advantage). You may also call Member Services at 1-833-999-0103 (TTY/TDD users should call 711) for updated information.

**Introduction:** This booklet provides a list of Farm Bureau Advantage HMO’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Farm Bureau Advantage HMO’s formulary.

When this pharmacy directory refers to “we,” “us”, or “our,” it means Farm Bureau Health Plans. When it refers to “plan” or “our plan,” it means Farm Bureau Advantage HMO.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Farm Bureau Advantage HMO only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 03-05-2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside Tennessee, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the sections in this directory on Network Pharmacies outside of Tennessee.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Farm Bureau Advantage HMO.

*OPTUMRX HOME DELIVERY*

1-913-253-0600

Toll Free: 1-800-562-6223

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us at 1-833-999-0103 or for TTY users, 711.

Typically, you should expect to receive your prescription drugs 7 to 10 business days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-833-999-0103 or, for TTY users, 711.

## **Home Infusion Pharmacies**

Farm Bureau Essential Rx network also includes home infusion services at specified pharmacy locations listed in this directory in the Home Infusion Pharmacies section. If you need more information on Home Infusion Pharmacies, please call Member Services.

## **Long-Term Care Pharmacies**

Residents of a long-term care facility may access their prescription drugs covered under Farm Bureau Advantage HMO through the facility's long-term care pharmacy or another network long-term care pharmacy.

## **Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies**

Only Native Americans and Alaska Natives have access to Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies through Farm Bureau Health Plans pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).
