*OFFICE COPAYMENT GUIDELINES

A copayment will be applied to each office visit for the covered services performed in the office and provided and billed by a physician who is an in-network provider. The remaining charges for covered services rendered during the office visit will be paid at 100% of the maximum allowable charge. If a physician who is an out-of-network provider is utilized for covered services, benefits will be determined on the basis of the out-of-network coinsurance percentage after deductible is met. Copayments will not be applied toward deductibles or out-of-pocket maximums.

Copayments do not apply to the following services: advanced radiological imaging, allergy testing and injections, biopsy interpretation, bone density testing, cardiac diagnostic testing, chemotherapy services, chiropractic services, complex diagnostic services, dental services except preventative and restorative for all members, diagnostic services sent out, durable medical equipment, growth hormone injections, IV therapy, Lupron injections, mammography, maternity services, nerve conduction studies, neuropsychiatric or neurological tests, nuclear cardiology, nuclear medicine, orthodontics, preventative services as indicated in the contract, prosthetics, provider administered specialty pharmacy products, sleep studies, surgery performed in a physician's office and related surgical supplies, Synagis injections, therapeutic/rehabilitative services, ultrasounds and vision services. These services are subject to the terms and conditions of the contract, Deductibles and coinsurance will apply except where otherwise indicated.

Maternity Benefits

Maternity Benefits will be provided after a member's coverage on a family contract has been in effect for nine consecutive months. Individual coverage has NO maternity benefits except for complications of pregnancy.

Pre-existing Condition Waiting Period

Benefits will not be provided for any pre-existing condition until a member has completed a waiting period of at least 6 months. In rare circumstances, the pre-existing condition waiting period may be longer. A pre-existing condition is defined in the contract as "An illness, injury, pregnancy or any other medical condition which existed at any time preceding the effective date of coverage under this contract for which: Medical advice or treatment was recommended by, or received from, a provider of health care services; or symptoms existed which would cause an ordinarily prudent person to seek diagnosis, care or treatment." The pre-existing condition waiting period will not apply to members under the age of 19 enrolled as dependents in a family coverage. **Additional waiting periods may apply as indicated in the contract.**
